You are an Acrobat

When you are asked to **Clap**, you will be given a number. Clap your hands that many times.

When you are asked to **Twirl**, you will be given a number. Turn completely around that many times.

When you are asked to **Count**, announce how many actions you have been given to date. This is the sum of the numbers you have been given a number.

You are a Choreographer

When you are given any instruction (Twirl, Clap, or Count), pass it on to two other people. Usually pick others doing this exercise. Occasionally pick someone else. You can even give the instruction to the same person twice.

You can pick people at random. Usually pick others doing this.

Mary, clap 3 -- assuming that John and Mary are in the room.
John, clap 3

When you are given any instruction (Twirl, Clap, or Count), you might respond with Pass it on to two other people. For example, if you are told to Clap 3 then you might respond with...
If you are given the Count instruction, just pass it to your Buddy.

When you are asked to Clap, you will be given a number.

When you are asked to Twirl, you will be given a number.

Turn completely around that many times. Pass the same instruction to your Buddy.

When you are asked to Clap, you will be given a number.

Clap your hands that many times. Pass the same instruction to your Buddy.

When you are given this card, choose someone else as your Buddy.
If you are given the **Count** instruction, just pass it to your Buddy. When you are asked to **Clap**, you will be given a number. Clap your hands that many times. Pass the same instruction to your Buddy.

When you are asked to **Twirl**, you will be given a number. Turn completely around that many times. Pass the same instruction to your Buddy.

When you are asked to **Clap** again, you will be given a number. Clap your hands that many times. Pass the same instruction to your Buddy.

If you are given this card, choose someone else as your Buddy.
You are an Author

When you are asked to **Clap**, you will be given a number. Clap your hands that many times. Say "Thank You." Then take a bow (as dramatically as you like).

Then take a bow (as dramatically as you like).

Say "Thank You." Then take a bow (as dramatically as you like).

When you are asked to **Twirl**, you will be given a number. Turn completely around that many times. Say "Thank You." Then take a bow (as dramatically as you like).

When you are asked to **Count**, announce how many actions you have been given to date. Say "Thank You." Then take a bow (as dramatically as you like).

This is the sum of the numbers you have been given a number.

When you are asked to **Clap**, you will be given a number.

Then take a bow (as dramatically as you like).

You are an Author.
When given any instruction (Twirl, Clap, or Count), you are a Curmudgeon.

Then sit down again if you were originally sitting.

I REFUSE

(If you're standing up and say (as dramatically as you can)

Then sit down again if you were originally sitting.)
