1. **Read the Following Rules for Assignments Carefully**

Assignments are extremely important. By completing homework assigned in this course, students will learn key concepts and discover new ideas. This is especially true for credited class, see the professor.

2. **Your assignment MUST be typed or bound to be accepted.**

3. Your assignment must be submitted on time if completed.

4. All assignments must be submitted on the due date during the class.

5. Late assignments will not be accepted during the term.

6. It is not acceptable to submit a partially completed assignment.

7. All assignments must be neat and legible. Credit will not be given.

8. You are expected to complete all of the homework assignments.

9. You must show all work and explain how you obtained your answers.

10. Approach and explain why you were stuck. Do not simply leave it.

11. Solutions to assignments may be posted on the web after the due date.

12. Grader will be posted on the web.

See also the web regularly for research papers and project suggestions.
